

Members Gallery

Image specs

To optimise the website for desktop and mobile browsers, including faster loading times, lower bandwidth and higher SEO ranking, we request that members use the following guidelines for images:-

1. Images should be in .jpg format only.
2. Images should have a resolution of 72 dpi only.
3. No more than 1,000 pixels on their longest side.
4. Each member can submit up to 10 images.
5. Not all images may be posted but members can expect a minimum of 5 images on their gallery page.
6. For each image, add title, materials used, dimensions, year, and if desired, a short description of your work/s. This will help increase your SEO ranking as these info are embedded within the image through the website.
7. Include a short blurb about yourself - i.e., describe your work/s, inspiration, design aesthetics
8. Include up to three links - i.e., your own website, online store, profile from other websites, online article/s related to your work
9. Email your images to webmaster@jmgansw.org.au , Subject: Members Gallery
10. Reminder: Members Gallery is a feature of your JMGA-NSW membership level (Except Student membership) so make sure your membership is up to date to retain your members gallery page privilege.
11. Members gallery is a great tool if you want to highlight your recent work, exhibitions, award, prizes, publicity from other sources. By linking them with JMGA-NSW, it will also increase your SEO ranking through cross linking.
12. Watch for call outs via newsletter and social media if you want to update your content.
13. Reminder to take great quality photos to showcase your best work.
